

January 28th & 29th

Day 9: International Mindedness Day Treatment of Disorders

Essential Question: How are societal expectations for behavior different depending on the culture you are apart of? (Societal expectations for behavior)

Objective: Cite evidence from the novel and synthesize that evidence with research found on the topic

Do Now: When you think of a person with mental illness, what do you imagine? In your opinion, is mental illness taken seriously in American culture? Where so far in the reading do we see mental illness?

Activity:

Research Treatment of psychological disorders in other countries

Countries: France, Thailand, USA (different races), Russia, North Korea

Questions:

- What are the statistics of people diagnosed with a psychological disorder?
- What types of treatment are available for those diagnosed?
 - Does the country/ insurance agencies cover the cost of the psychological treatment?
- How are those with psychological disorders treated and perceived by people in their community?
- How do these ideas connect with your personal perceptions about mental disorders?

Students Post answers on to poster

Gallery walk

Resource: Computers

Standards:

CCSS.ELA-LITERACY.W.11-12.7

Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation.

Learner Profile: Inquirers

Assessment: Gallery walk notes and individual group questions

Homework: Finish Novel

Name: _____

Block: _____
